

Project Overview

As of April 27, 2012

Warner Road Phase I

Current conditions on Warner Road

Description and Benefits: Project consists of widening Warner Road from just east of Ulry Road to 3,657' east, and adding sidewalks, curbs, storm-sewer improvements, landscaping, and a shared path. The finished project will provide a wider roadway to accommodate future development in the area.

Schedule:

Design was completed in June 2011; Right-of-way acquisition is scheduled for completion in summer 2012; construction is tentatively scheduled to begin in summer 2013 and be completed in fall 2014.

Costs:

Construction and inspection \$3.2 million - estimated

Contact Information:

Project Manager for design: Moe Tahari, P.E., tel. (614) 645-1650

Designer: EMH&T

Construction Contractor: TBD.
